1 - Purchase of subscription and back office access

# Subscription

You are now on your Aionera backoffice, all you have to do is follow the steps to finalize your process and take advantage Aionera service.

The screenshot shows the Aionera backoffice dashboard. At the top left is the Aionera logo and a navigation menu with options: Dashboard (selected), Affiliation, Overview, and Withdraw. The main heading reads "Welcome Jerome!". Below this is a section titled "5 easy steps to get started:" with five numbered steps, each with a "Begin step" link. The steps are: 1 - Create your Accuindex Account and upload your KYC; 2 - Create a trading account and Deposit your funds on Accuindex; 3 - Sign your LPOA; 4 - Download MT5 to see your funds working; 5 - Create your affiliate account and start earning money by promoting Aionera. Below the steps are three featured content cards: "Aionera Presentation" (PDF) with an "Access >" button and a clock icon; "Complete tutorial" (PDF) with an "Access >" button and a globe icon; and "Historical data" (MyfxBook) with a "View" button and a line graph icon.

## 2 - HOW TO CREATE YOUR ACCOUNT ON ACCUINDEX AND DOWNLOAD YOUR KYC?

Time: 15 min | Treatment: 24h - 48h

Link to create your AccuIndex account : **(Mandatory)**

<https://accuindex.com/register-live?ibRef=ST90006901&ibId=CU91520881>

2 - How to create your account on Accuindex and upload your KYC?

# Register

By following the registration link on the previous page, you will open on this page.

Here, all you need to do is fill in your personal details:

- **Your first name**
- **Your last name**
- **Your country**
- **Your phone number**
- **Your email**
- **A unique password**

You will need to verify your email by entering the PIN code sent by email.

Confirm the privacy policy and click on "**Register**".

The screenshot shows the Accuindex registration interface. At the top right, there is a language selector set to 'EN'. The Accuindex logo is centered at the top, with the text 'Register now, it's easy!' below it. The form consists of several input fields: a first name field, a last name field, a country dropdown menu currently showing 'France', a phone number field with a '+33' prefix and a '6' in the second field, and two password fields with eye icons for visibility. Below the password fields are three buttons: '8-20 characters', 'Latin Letters', and 'Numbers'. There is a 'PIN Verified' dropdown menu showing '508468'. At the bottom, there is a checked checkbox for 'By registering you agree to our privacy policy' and a large blue 'Register' button with a hand cursor icon.

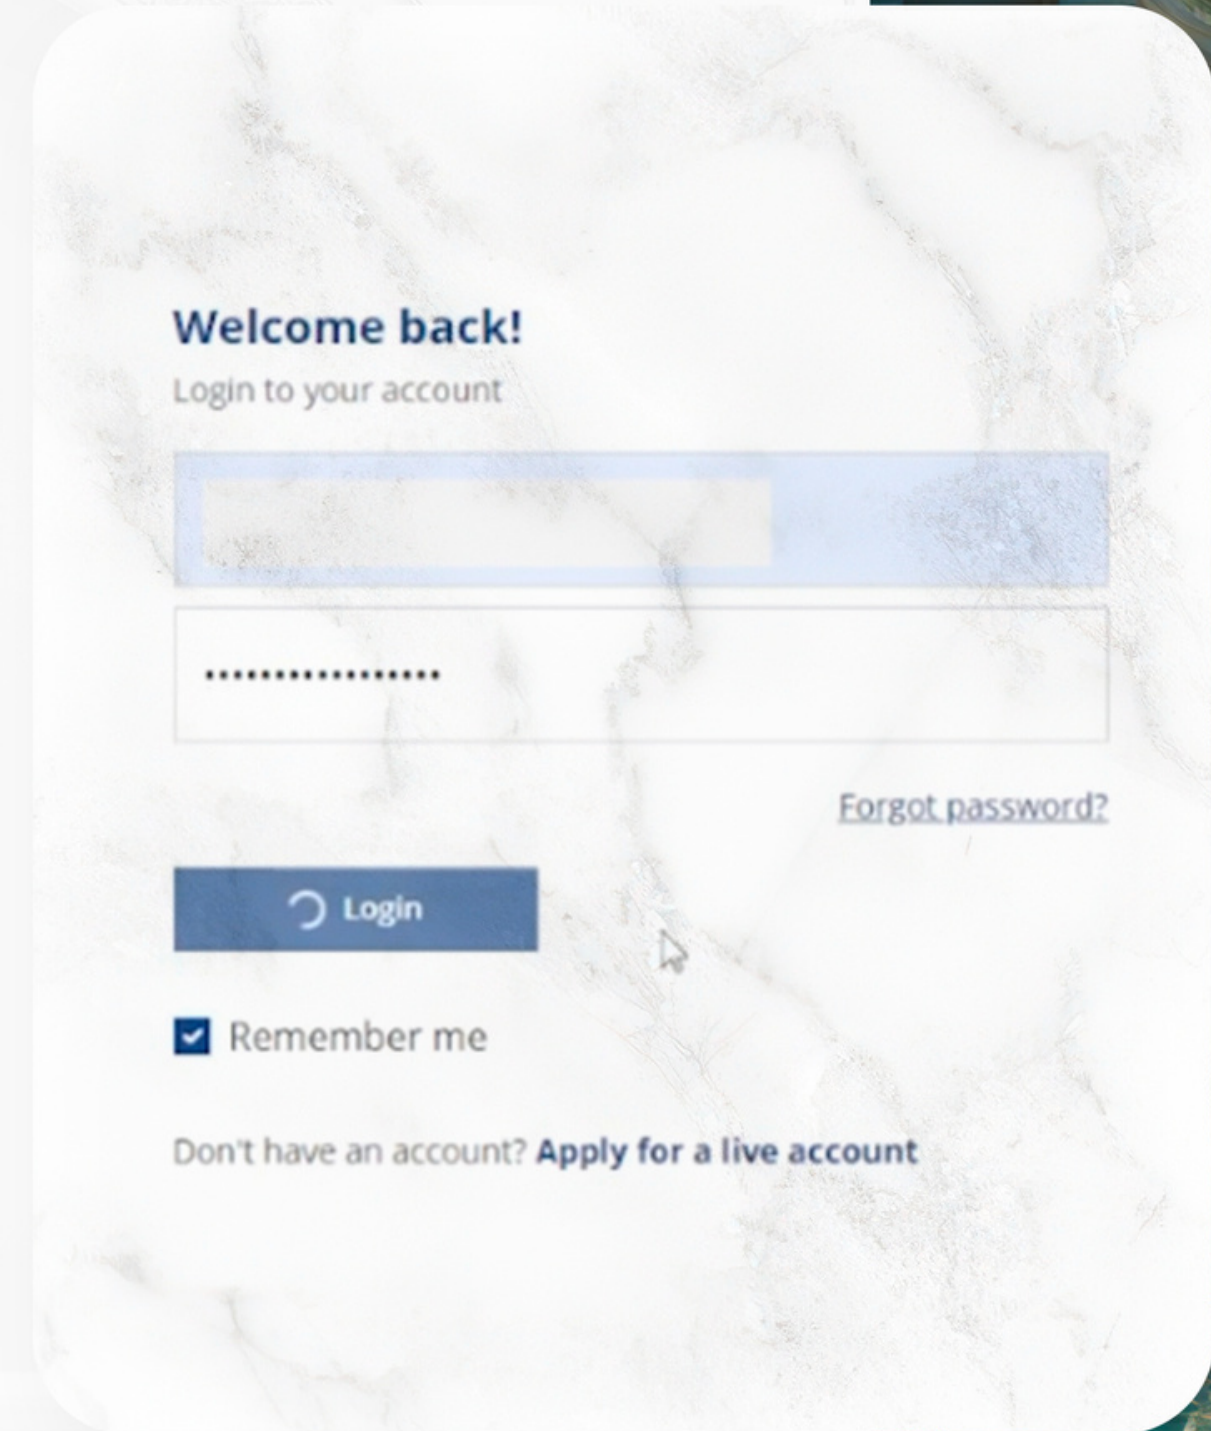

2 - How to create your account on Accuindex and upload your KYC?

# Register

Please log in to your account with your previously defined login and password.

You should also have received an email.

A login form overlay with a marble texture background. It contains the following elements:

- Welcome back!** header
- Subtext: Login to your account
- Input field for email/username
- Input field for password (masked with dots)
- [Forgot password?](#) link
- Login** button with a circular arrow icon
- Remember me
- Text: Don't have an account? [Apply for a live account](#)

2 - How to create your account on Accuindex and upload your KYC?

# Profile

A pop-up window will appear, asking you to complete your profile.

Enter your personal details:

- **Your title**
- **Your date of birth**
- **Your nationality**
- **Your full address (address, zip code, city)**
- **Your language**

Information about your profession (this will have no impact on the rest)

And answer the question about if you or any member of your family are a politically exposed person.

**Complete Your Profile**

3 - How to open a trading account and deposit funds?

# Deposit Funds

Your trading account is now created.  
Now deposit your funds.

Go to the "**Funds**" tab, then "**Deposit**".

Here, select how you wish to deposit

- **VISA/MASTERCARD** credit card
- **Cryptocurrencies** (USDT, BTC, ETH)
- **Wire transfer**

In our example, we'll deposit in **USDT cryptocurrency**.

**Select** your trading account  
**Enter** your deposit amount  
**Select** your cryptocurrency  
In the description, write "**Aionera clients**".

Then click on "**Continue**".

The screenshot shows the Accuindex mobile application interface. On the left is a navigation menu with options: Dashboard, Accounts, Funds, Deposit (highlighted with a hand cursor), Withdrawal, Internal Transfer, and Bank Accounts. The main screen displays the 'Deposit' form. At the top, there are logos for help2lay, Alipay, and Mastercard. The form includes a 'Select Payment Method' dropdown menu currently set to 'Crypto(BTC, ETH, USDT) - Hyvn'. Below this is a 'Fund with' section with a bar chart icon. A note states 'All Transactions are made on the TRC20 Network'. The 'Select Trading Account' dropdown is set to '29122'. Below that, the currency is set to 'USD' and the deposit amount is '1010'. The 'Payment Currency' dropdown is set to 'USDT'. The 'Description' field contains the text 'Aionera clients'. At the bottom of the form is a blue 'Continue' button with a hand cursor over it.

3 - How to open a trading account and deposit funds?

# Deposit Funds

A payment address will be generated, along with a **QR Code**.

If you have selected **USDT** : the network is **TRC20**

If you selected **BTC**, the network is **Bitcoin** (BTC),

If you have selected **ETH**, the network is **Ethereum** (ETH)

*Send funds only on the correct network according to your request, otherwise your funds will be lost.*

On this page, you'll be shown the exact amount to send.

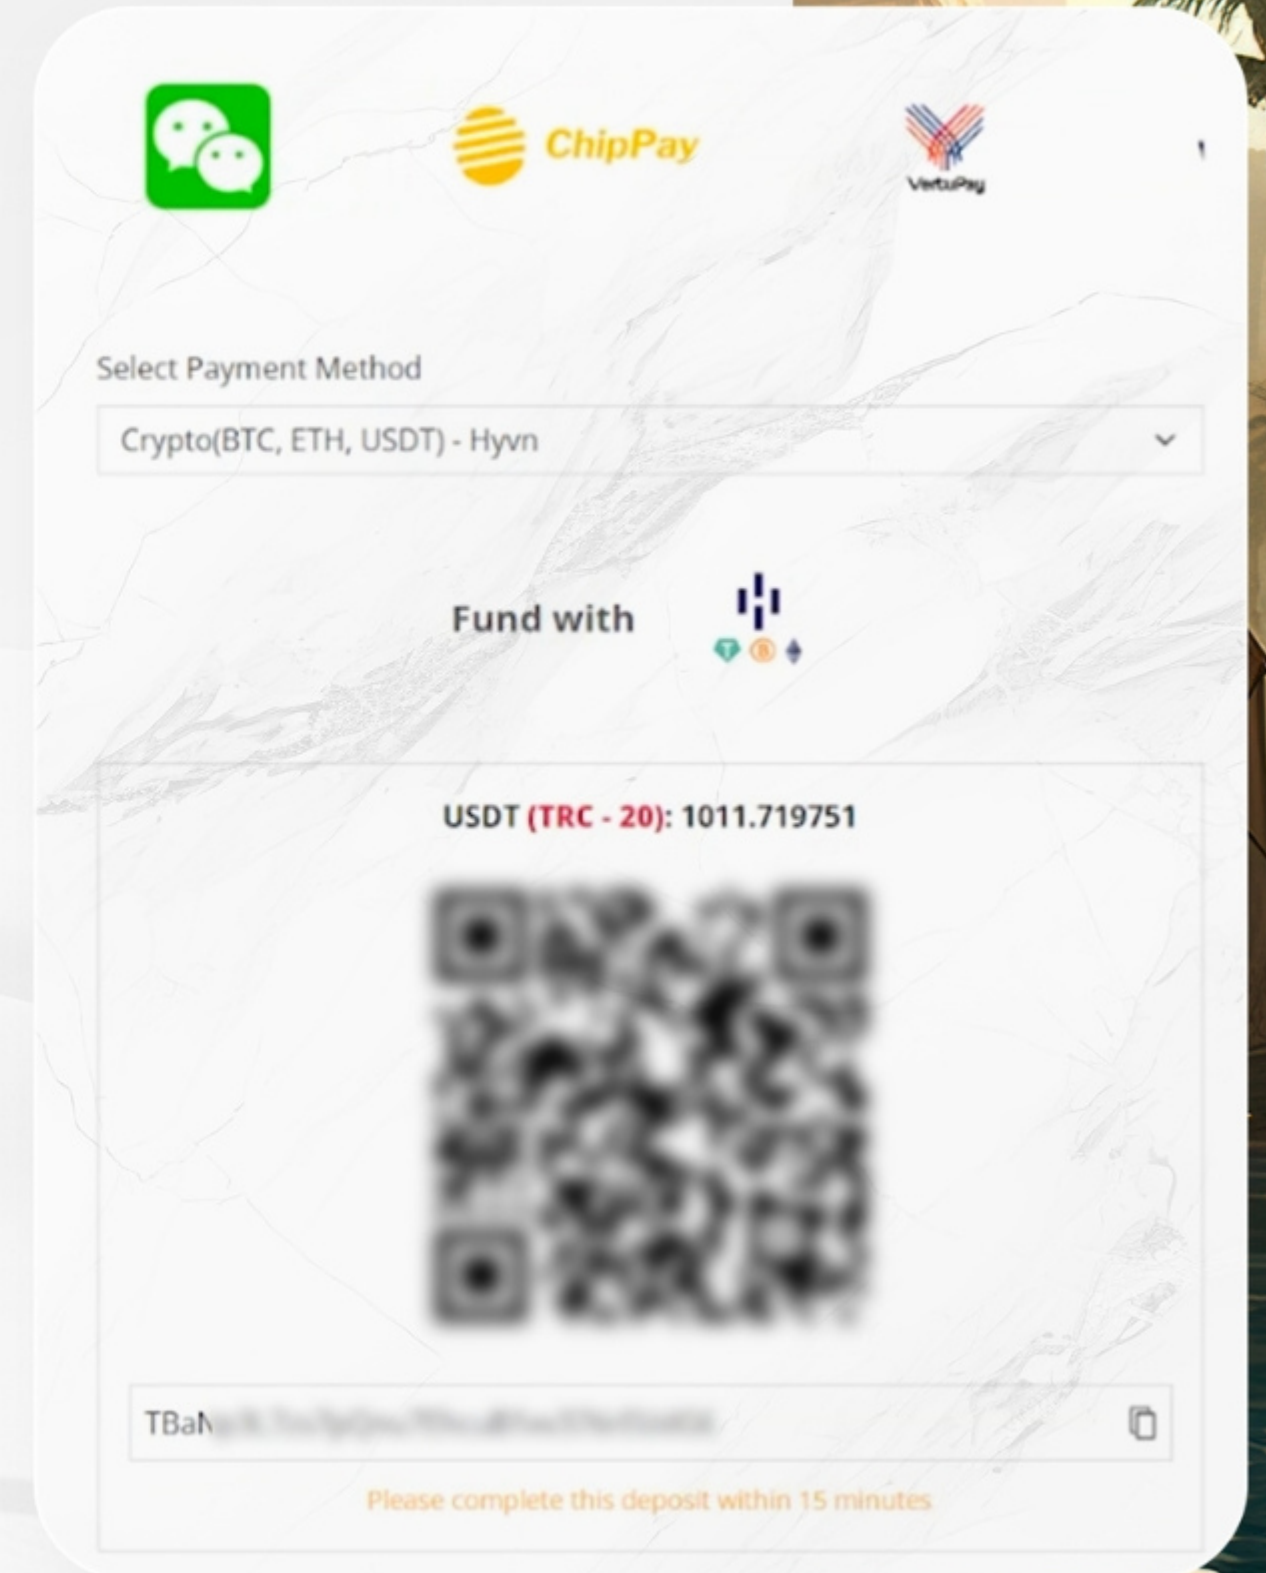

From your exchange, write the amount indicated on this page  
+ your exchange's network fees.

Here's an example:

**I send USDT on the TRC20 network from Binance.**

**Binance tells me there's a \$1 network fee.**

**If I need to send \$1011.719751 on AccuIndex,  
my transfer must therefore be \$1012.719751**

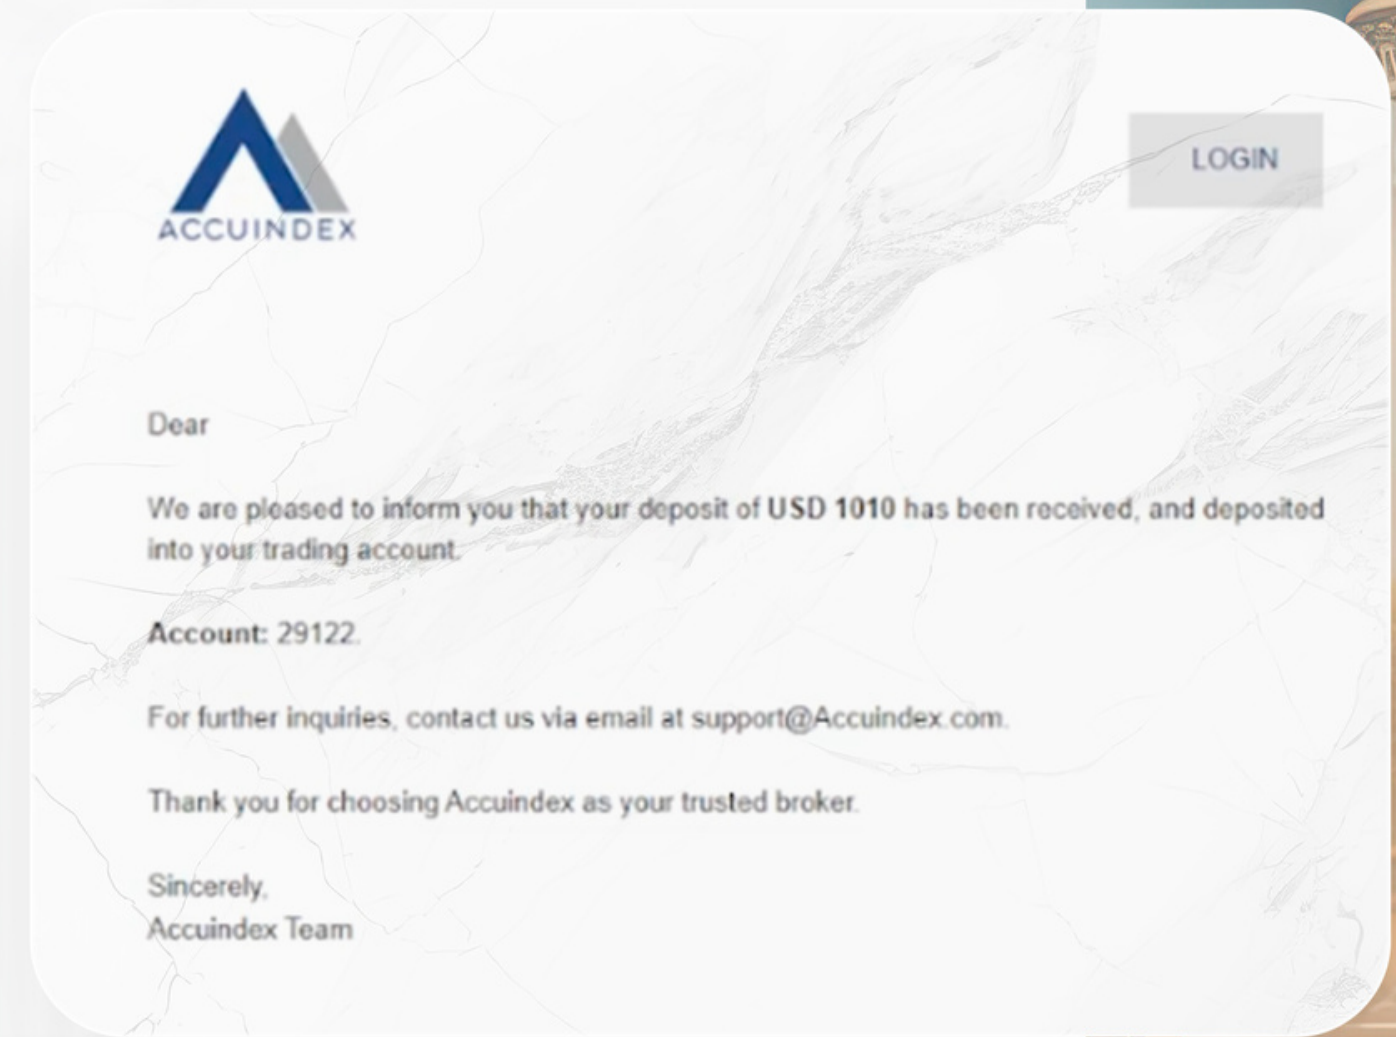

3 - How to open a trading account and deposit funds?

# Deposit Funds

Once your deposit has been received, you will receive a confirmation email. If you do not receive your email within 24 hours, please contact AccuIndex customer support via this link:

<https://support.accuindex.com/hc/en-us>

Your funds are now visible on your AccuIndex dashboard.

The image shows a screenshot of the 'Account Summary' dashboard. It displays three key metrics: Total Balance (1010.10 USD), Total Credit (0.00 USD), and Total Equity (1010.10 USD). Below this is a 'Live Accounts' table with the following data:

| Account           | Leverage | Equity  | Balance | Margin |
|-------------------|----------|---------|---------|--------|
| USD 29122 MTS PRO | 1:400    | 1010.10 | 1010.10 | 0.00   |
| USD Total         |          | 1010.10 | 1010.10 | 0.00   |

## 4 - HOW TO SIGN YOUR LPOA

Time: 5 min | Treatment: 1h - 24h

### What is a LPOA?

"Limited Power of Attorney" - This document, signed by the client (you) and the fund manager (Aionera - Chronos Legacy FZ-LLC), defines that the fund manager has been authorized by power of attorney to act/trade on the client's trading account with AccuIndex.

4 - How to sign your LPOA?

# Sign the LPOA

From your Aionera dashboard, accessible at this link: , <https://my.aionera.io/>

click on "**Begin Step**".

next to the "**Sign your LPOA**"

In the pop-up field, enter your previously created AccuIndex account number.

To retrieve it, go to the AccuIndex dashboard: <https://my.accuindex.com/>

Then in Live Account, you can copy your account number and paste it into the Aionera dashboard.

Then click on "**Sign**".

## Welcome Nicolas!
